

# Ghosts

Pink Turns Blue

This is your life  
Wandering  
This is your life  
Disconnected  
This is your life  
At daytime  
This is your life  
At night time  
Cause you're a ghost  
You're a ghost

This is my life  
Wandering  
This is my life  
I'm wandering  
This is my life  
Working  
This is my life  
I do function  
Cause I'm a ghost

We're ghosts  
At daytime  
We're ghosts  
At daytime  
We're ghosts  
For a lifetime  
We're ghosts  
For a lifetime

We're hopeless  
We're wandering  
Like machines  
Wandering  
Party Time  
Happy People  
Party Time  
Let's function

We're ghosts  
At daytime  
We're ghosts  
At daytime  
We're ghosts  
At daytime  
We're ghosts  
A lifetime  
We're ghosts  
For a lifetime  
We're dead  
Wandering  
But dead
