

Beam Me Up

Pink

There's a whole n'other conversation going on
In a parrallell universe
Where nothig breaks and nothing hurts
There's a waltz playing frozen in time
Blades of grass on tiny bare feet
I look at you and you're looking at me

Could you beam me up,
Give me a minute, I don't know what I'd say in it
Probably just stare, happy just to be there holding your face
Beam me up,
Let me be lighter, tired of being a fighter,
I think, a minutes enough,
Just beam me up.

Some black birds soaring in the sky,
Barely a breath like our one last say
Tell me that was you, saying goodbye,
There are times I feel the shiver and cold,
It only happens when I'm on my own,
I tell ya, tell me, I'm not alone

Could you beam me up,
Give me a minute, I don't know what I'd say in it
I'd Probably just stare, happy just to be there, holding your face
Beam me up,
Let me be lighter, tired of being a fighter,
I think, a minutes enough,
Just beam me up.

In my head, I see your baby blues
I hear your voice and I, I break in two and now there's
One of me, with you

So when I need you can I send you a sign
I'll burn a candle and turn off the lights
I'll pick a star and watch you shine

Just beam me up,
Give me a minute, I don't know what I'd say in it
Probably just stare, happy just to be there, holding your face
Beam me up,
Let me be lighter, tired of being a fighter,
I think, a minutes enough,
Beam me up
Beam me up
Beam me up
Could you beam me up
