Pink

G Bmi Emi C

G Bmi

1. White knuckles

Em C
and sweaty palms from hanging on too tight

G Bmi

Clench of jaw,

Em C
I've got another headache again tonight

G Bmi Emi

*: Eyes on fire, eyes on fire, and the burn from all the tears

Emi C G

I've been crying, I've been crying, I've been dying over you

G Bmi Emi

Tie a knot in the rope, tryna hold, tryna hold,

Emi C G

But there's nothing to grab so I let go

G

R: I think I've finally had enough,

Bmi

I think I maybe think too much

Emi

I think this might be it for us

C

(blow me one last kiss)

G

You think I'm just too serious,

Bmi

I think you're full of shit

Emi

My head is spinning so

C

(blow me one last kiss)

G

Just when it can't get worse,

Bmi

I've had a shit day

Emi

You've had a shit day,

C

we've had a shit day

G

I think that life's too short for this,

Bmi

I'll pack my ignorance and bliss

Emi

I think I've had enough of this,

C

blow me one last kiss.

2. I won't miss

all of the fighting that we always did,

Take it in,

I mean what I say when I say there is nothing left

*: No more sick, whiskey-dick, no more battles for me
You'll be calling a trick, 'cause you'll no longer sleep
I'll dress nice, I'll look good, I'll go dancing alone

I will laugh, I'll get drunk, I'll take somebody home
R: I think I've finally had enough...

G Bm Em

Dadadadadada

C

Blow me one last kiss

*: I will do what I please, anything that I want
I will breathe, I will breathe, I won't worry at all
You will pay for your sins, you'll be sorry my dear
All the lies, all the lies, will be crystal clear.

R: I think I've finally had enough...
