

# Catch Me While I'm Sleeping

Pink

How many times have you sat across from me?  
And how many times have you told me you were leavin'?  
I'm no tryin' to listen, 'cause it's all the same  
And why, why are you constantly believing  
That I, I could ever give you what you're needing?  
Baby, baby, please don't put your faith in me  
I don't know what to say  
'Cause it's all a dream to me anyway

You can catch me while  
I'm sleepin', darlin'  
While I'm dreamin', too  
It's a lonely, lonely, lonely place  
for me baby  
It must get lonely for you, too

People always fallin'  
In and out of love and  
It can be pretty painful, too  
And maybe, Oh maybe I'm just not strong enough  
Sad but true  
So tell me what's the use?

Oh, Oh You can catch me while  
I'm sleepin', darlin'  
Maybe While I'm dreamin', too  
'Cause It's a lonely, lonely, lonely place  
for me baby  
It must get lonely for you, too
