

Cover Me In Sunshine

Pink

I've been dreaming of friendly faces
I've got so much time to kill
Just imagine people laughing
I know some day we will

And even if it's far away
Get me through another day

Cover me in sunshine
Shower me with good times
Tell me that the world's been spinning since the beginning
And everything will be alright
Cover me in sunshine

From a distance all these mountains
Are just some tiny hills
Wildflowers, they keep living
While they're just standing still

I've been missing yesterday
But what if there's a better place

Cover me in sunshine
Shower me with good times
Tell me that the world's been spinning since the beginning
And everything will be alright
Cover me in sunshine
Shower me with good times
Tell me that the world's been spinning since the beginning
And everything will be alright
Cover me in sunshine

La la la la
La la la la

Cover me in sunshine
Shower me with good times
Tell me that the world's been spinning since the beginning
And everything will be alright
Cover me in sunshine
