

Feel Good Time

Pink

1. Doo doo doo doo doo doo doo...

We go where we like,
we got over time,
we get paid to rattle our, chains

We go in the back,
paint our money black,
spend it on the enemy

Sleeping in the church,
riding in the dirt,
put a banner over my grave

Make a body work,
make a begger hurt,
sell me something big and untamed

R: Now our time, real good time,
(doo doo doo doo doo doo...)
now our time, a real good time
(doo doo doo doo doo doo...)
now our time, (Said now our time),
a real good time (It's really good time!)
Baby, by all mine...

2. We know how to pray,
party everyday,
make our desolation look plain

Riding in a rut,
till the powers cut,
we dont even have a good name

Sleeping in the church...

R: Now our time, real good time...
+ doo doo doo doo... baby
(sell me something big and untamed)

Now are time, real good time... oh,
(doo doo doo doo doo doo doo...)
now our time (Said now our time),
(doo doo doo doo doo doo...)
a real good time (It's really good time!)
now are time, real good time...

Feel good,
Real good, it's the same old same
Real good,
Feel good, don't got no more brains
Feel good,
Real good, it's the same old same... yeah
Feel good,
Real good, I don't got no more brain!
