

God Is A DJ

Pink

- G** **Gsus4**
1. I've been the girl with her skirt pulled high
G **G5s4**
Been the outcast never running with mascara eyes
G **Gsus4**
Now I see the world as a candy store
G **G5s4** **G**
With a cigarette smile, saying things you can't ignore
G **Gsus4**
Like mommy I love you
G
Daddy I hate you
G5s4
Brother I need you
G
Lover, hey, "fuck you"
Gsus4 **G**
I can see everything here with my third eye
G5s4
Like the blue in the sky

Life is a dance floor
G/B
You get what you're given
G/B
It's all how you use it
2. I've been the girl - middle finger in the air
Unaffected by rumours and truth I don't care
So open your mouth and stick out your tongue
You might as well let go you can't take back what you've done
So find a new lifestyle
A reason to smile
Look for Nirvana
Under the strobe lights
Sequins and sex dreams you whisper to me
there's no reason to cry

- G** **C2**
*: You take what you get and you get what you give
G **C2**
I say don't run from yourself, man, that's no way to live
G **C2**
I've got a record in my bag you should give it a spin
