

# I Am Here

Pink

I open up my heart  
You can love me or not  
There's no such thing as sin  
Let it all come right in  
I wanna make some mistakes, I wanna sleep in the mud  
I wanna swim in the flood, I wanna fuck 'til I'm done  
I like whiskey on ice, I like sun in my eyes  
I wanna burn it all down, so let's start a fire  
I wanna be lost, so lost that I'm found  
Naked and laughing with my blood on the ground

I am here, I am here  
I've already seen the bottom, so there's nothing to fear  
Know that I'll be ready when the devil is near  
I am here, I am here  
All of this wrong, but I'm still right here  
I don't have the answers, but the question is clear

Let me ask you  
Where does everybody go when they go  
Where does everybody go when they go  
Where does everybody go when they go  
Let me ask you  
Where does everybody go when they go  
Where does everybody go when they go  
Where does everybody go when they go  
Let me ask you

May the light be upon me  
May I feel in my bones that I am enough  
I can make anywhere home  
My fingers are clenched, my stomach's in knots  
My heart it is racing, but afraid I am not  
Afraid I am not...

I am here, I am here  
I've already seen the bottom, so there's nothing to fear  
I know that I'll be ready when the devil is near  
Cause I am here, I am here  
All of this wrong, but I'm still right here  
I don't have the answers, but the question is clear

Let me ask you  
Where does everybody go when they go  
Where does everybody go when they go  
Where does everybody go when they go  
Let me ask you  
Where does everybody go when they go  
Where does everybody go when they go  
Where does everybody go when they go  
Let me ask you

I can think of one thousand places  
Much worse than this

But I am here, I am here  
I've already seen the bottom, so there's nothing to fear

Know that I'll be ready when the devil is near  
Cause I am here, I am here  
All of this wrong, but I'm still right here  
I don't have the answers, but the question is clear

Let me ask you  
Where does everybody go when they go  
Where does everybody go when they go  
Where does everybody go when they go  
Let me ask you  
Where does everybody go when they go  
Where does everybody go when they go  
Where does everybody go when they go  
Oh, let me ask you  
...
