

Is It Love

Pink

R: Is it love or just curse?
Do you feel good when I hurt?
I need your heart to open up
If this love's not real then it's just my lucky

1. Mommy, I need your help
This little boy he took my love
He says these things
That make my body's bone pop
And then he runs
Leaving me undone
And I don't understand
In sex he said he'd be my man

R: Is it love or just curse...

2. Daddy listen I gave it up
I'm not your little girl
My cherry and all the trust is missing
But please listen, what do I do?
I know you wanna hurt him
But I like what he do
He's only doing what you used to

R: Is it love or just curse...

3. You never told me bout the birds and the bees
Or about hide and go seek
Or what he gets when he finds me
The biggest mistakes are the choices I make
Won't you help me decide?
What's going on in my mind?

R: Is it love or just curse...
