

It's All Your Fault

Pink

- C** **G** **Em**
1. I'd conjure up the thought of being gone
C **G** **Em**
But I'd probably even do that wrong
C **G** **Em**
I try to think about which way
C **G** **Em**
Would I be able to and would I be afraid
C **G** **Em**
Cause oh I'm bleeding out inside
C **G** **Em**
Oh I don't even mind (yeah)
- C** **G**
R: It's all your fault
B **Em**
You called me beautiful
C **G**
You turned me out
B **Em**
And now I can't turn back
C **G**
I hold my breath
B **Em**
Because you were perfect
C **G**
But I'm running out of air
B **Em**
And it's not fair
- C** **G** **Em** (2x)
Da da dada da dada da
Da dadadadadada da dadadadadada
2. I'm trying to figure out what else to say
(what else could I say?)
To make you turn around and come back this way
(Would you just come back this way)
I feel like we could be really awesome together
So make up your mind cause it's now or never (oh)

R: It's all your fault...

- Em** **B**
*: I would never pull the trigger
Em **C** **G**
But I've cried wolf a thousand times
Em **B**
I wish you could
Em
Feel as bad as I do
C **G**
I have lost my mind

R: It's all your fault...

(Oh yeah - It's all your fault)

C **G**
I hold my breath
B **Em**
Because you were perfect
C **G**
But I'm running out of air
B **Em**
And it's not (it's not) fair
