

Let Me Let You Know

Pink

1. Dear baby
I'm not sorry
For leaving you this way
And I know I should have told you
Face to face
We've always been straight up
So I won't waste your time
I'm leaving, say goodbye because
I know what you did last night

- R: Let me let you know, yeah
That I'm leaving baby
Let me let you know, yeah
That I'm leaving baby
Let me let you know
I don't know where I'm going
But I'm going far from here
Let me let you know, yeah
That I'm leaving baby, yeah, oh yeah

2. One more thing before I go
I hope you feel alone
Cause I'm definitely tired of waiting
For you to come home
(Been waiting for you at home)
We've always been straight up
So I'll just take what's mine
I'm leaving so say goodbye
Cause you've heard me for the last time

- R: Let me let you know, yeah...

3. Whatever your excuse is
I'm sure I've heard them all before
Time and time again I told you
That I needed more
Now I'm walking out the door, oh

- R: Let me let you know, yeah...

4. Ooh baby, I'm just here to let you know
Ooh yeah
Here to let you know, oh
Let me let you know, yeah
I'm leaving
Let me let you know
I don't know where I'm going
But I'm going far from here
And let me let you know, yeah
That I'm leaving baby, yeah, oh yeah
Let me let you know
I don't know where I'm going
But I'm going far from here
Let me let you know, yeah
That I'm leaving baby, yeah, oh yeah
