Gmi

1. I can remember

B

The very first time I cried

Dis

How I wiped my eyes

Cmi

And buried the pain inside

Gmi

All of my memories

B

Good and bad that's passed

Dis

Cmi

Didn't even take the time to realize

Cmi

Dis

Staring at the cracks in the walls

B

'Cause I'm waiting for it all to come to an end

Cmi

Dis

Still I curl up right under the bed

B

'Cause it's takin' over my head

All over again...

Gis

Dis

Fmi

R: Do you even know who you are?

Gis

I guess I'm trying to find

Dis

Fmi

A borrowed dream or a superstar?

Gis

I want to be a star

Dis

Fmi

Is life good to you, or is it bad?

Gis

I can't tell anymore

Dis

B

Do you even know what you have?

2. Lying awake

Watching the sunlight

How the birds will sing

As I count the rings around my eyes

Constantly pushing

The world I know aside

I don't even feel the pain

I don't even want to try

I'm looking for a way to become

The person that I dreamt up

When I was 16

Oh, nothing is ever enough

Ooh, baby it ain't enough

Or what it may seem

R: Do you even know who...

+ No!

Dis B

*: Sorry girl, tell a tale for me

Cmi

'Cause I'm wondering, how you really feel
I'm a lonely girl, I'll tell a tale for you
'Cause I'm just trying to make all my dreams come true

R: Do you even know who...

+ I guess not, I guess not
Do you even know who you are?
I'm trying to find
A rising dream, or a falling star?
Oh, I have all these dreams
Is life good to you or is it bad?
I can't tell anymore
Do you even know what you have?
