- 1. One night to you
 Lasted six weeks for me
 Just a bitter little pill now
 Just to try to go to sleep
 No more waking up to innocence
 Say hello to hesitance
 To everyone I meet
 Thanks to you years ago
 I guess I'll never know
 What love means to me but oh
 I'll keep on rolling down this road
 But I've got a bad, bad feeling
- R: It's gonna take a long time to love
 It's gonna take a lot to hold on
 It's gonna be a long way to happy, yeah
 Left in the pieces that you broke me into
 Torn apart but now I've got to
 Keep on rolling like a stone
 Cause it's gonna be a long long way to happy
- 2. Left my childhood behind
 In a roll away bed
 Everything was so damn simple
 Now I'm losing my head
 Trying to cover up the damage
 And pad out all the bruises
 Do you know I had it
 So it didn't hurt to lose it
 Didn't hurt to lose it
 No but oh
 I'll keep on rolling down this road
 But I've got a bad, bad feeling
- R: It's gonna take a long time...
- 3. Now I'm numb as hell and I can't feel a thing But don't worry about regret or guilt cause I never knew your name I just want to thank you Thank you From the bottem of my heart For all the sleepless nights And for tearing me apart yeah yeah
- R: It's gonna take a long time...
- R: It's gonna take a long time to love
 It's gonna take a lot to hold on
 It's gonna be a long, long, long way to happy, yeah
 Left in the pieces that you broke me into
 Torn apart but now I've got to
 Keep on rolling like a stone
 Cause it's gonna be a long long way to happy
