

Love Song

Pink

- G**
1. I've never written a love song
Em7
that didn't end in tears
G
maybe you'll re-write my love song
Cadd9
If you can replace my fears
G
I need your patience and guidance
Em7
And all your lovin' and more
- G**
When thunder rolls through my life will you be
Cadd9 **D**
able to weather the storm
2. There's so much I would give you baby
If I'd only let my self
There's this well of emotions
I feel I must protect
But whats the point in this armour
If it keeps the love away too
- I'd rather bleed with cuts of love than live with-
out any scars
3. Baby, can I trust this
Or do all things end
I need to hear that you'd die for me
Again and again and again
So tell me when you look in my eyes
Can you share all the pain and happy times
- Cause I will love you for the
rest of my life
- G**
4. This is my very first love song
Em7
That didn't end in tears
G
I think you re-wrote my love song
Cadd9
For the rest of my years
- G**
I will love you for the
Cadd9 **D**
rest of my life
