Pink

Go Damon - Go Linda - Go Pink  
Hahaha, yeah, it's me!

1. I might be the way everybody likes to say  
I know what you're thinking about me  
There might be a day you might have a certain way  
But you don't in my luxuries  
And its me, I know I know my name  
Cuz I say it proud  
Everything I want I always do  
Lookin' for the right track  
Always on the wrong track  
But all you're catchin' are these tracks that I'm  
layin' down for you

R: There's a song I was listenin' to up all night  
There's a voice I am hearin' sayin' its alright  
When I'm happy, I'm sad, but everything is good  
Its not that complicated I'm just missundaztood

2. There might be a day everything, it goes my way  
Can't you think I know I'm superfly?  
I might see the world in a world inside of you  
Then I just might say goodbye  
And its my name I know, I say it loud cuz I'm  
really proud  
Of all the things I used to do  
Cuz its the wrong track  
Lookin' for the right track  
And all you're catchin' are these tracks that I'm  
layin' down for you

R: There's a song I was listenin' to... (2x)  
Yeah, yeah, yeah...

3. Lookin' for the right track  
Always on the wrong track  
But all you're catchin' are these tracks that I'm  
layin' down for you

R: There's a song I was listenin' to up all night  
There's a voice I am hearin' sayin' its alright  
I was taken for granted but its all good  
Cuz I'll do it again, I'm just missundaztood  
Said I'll do it again, I'm just missundaztood  
I said I'll do it again, I'm just missundaztood  
I said I'll do it again, I'm just missundaztood
