**C** **Am**  
1. She's back on drugs again  
**F** **C**  
Even though she knows it ain't right  
**C** **Am**  
She can't even call up her friends  
**F** **C**  
And say "help me save my life"  
**C** **Am** **F**  
She's so ashamed of herself that she's come full circle  
**C** **Am** **F**  
Nobody understands what it's like to  
**C**  
Be this girl  
**F** **C** **F**  
So she disappeared, and she  
**C** **F**  
Wasn't clear, and she  
**C** **Am** **G**  
Didn't say where she was going

**C** **Am**  
R: Save my life, won't you help me  
**F** **C**  
Save my life, won't you help me  
**C** **Am**  
Save my life, won't you hear me  
**F** **C**  
Save my life, won't you help me

**C** **Am**  
2. She had the man of her dreams  
**F** **C**  
And some success  
**Am** **F** **C**  
And she was so happy, and looking well  
**Am** **F**  
It was this one dark night, that she  
**C**  
Slipped  
**Am** **F**  
And then the next morning that she  
**C**  
Felt like a piece of shit  
**F** **C** **F**  
So she's hanging out, and she's  
**C** **F**  
With the crowd, and she's  
**C** **Am** **G**  
Travelin' where the wind is blowing

R: Save my life...

**F** **C** **F**
