

# Stop Falling

Pink

La, da, la, la, la  
La, da, la, la, la, la, ooh

R: I ain't lookin' for a steady thing  
I ain't looking for what love brings  
Cause I'm still young and I ain't ready babe  
I'm still looking for some better days  
I don't wanna give you everything  
I just wanna make you feel things  
You ain't gotta give me everything  
Just throw it away, hey

1. Don't assume cause I'm a woman that'll fall in love  
Don't expect I'm young and need to be took cared of  
Don't wanna hear you got what I need  
Cause how would you know before we speak?  
You've gotta understand my side  
I've had a crazy, crazy life  
Nobody came along to open up my eyes  
You better take what you can get  
Don't even bother with my heart  
I get a feeling I won't let dissolve

R: I ain't lookin' for a steady thing...

2. Please believe me  
I've been down this road and back again  
Learned a lesson and it was that love is not your friend  
The day I put my trust in you  
Will be the day I say I do  
Don't expect me just to open up  
Maybe I'm just a little scared  
Please don't tell me what you think  
I wouldn't hear  
Oh baby save it  
I've heard it all before  
There ain't nothing you could say to make me change

R: I ain't lookin' for a steady thing...

3. So stop falling, stop falling  
You know you're falling for me  
Stop falling, stop falling  
Stop falling for me, yeah  
You've gotta understand my side  
I've had a crazy, crazy life  
Nobody came along to open up my eyes  
Oh baby take what you can get  
Don't even bother with my heart  
I get a feeling I won't let dissolve

R: I ain't lookin' for a steady thing...  
+ Stop falling, oh, hey, oh, oh yeah, baby
