

# The One That Got Away

Pink

Mmmmm mm yeah, oh oh  
I stood by the exit door of the hotel cafe  
He was playing with his band  
I've always been a sucker had a weakness for a boy  
with a guitar and a drink in his hand  
His words were like heaven in my hurricane  
My knees buckled under  
I thought everyone was watching me  
Watching you save my life with the song

You were mine  
In the back of my mind  
Oh just for one night  
Just for a while

There's always one that gets away  
The one that sneaks up on you that slips away

Two weeks later I was sitting in his apartment  
He was making cappuchino  
I said what kind of man makes cappuchino  
We laughed (3x)  
We laughed til tears ran down my face

Oh but my man you're someone elses man  
And that aint the man that I want  
But you keep drawing me in with those big brown lion eyes

You'll always be mine  
In the back of my mind  
Oh we had a night  
Just a little wine

There's always one that gets away  
The one that sneaks up on you that slips away

In a closed off corner of my heart yes  
I'll always see your face  
The one that got away  
One that got away  
The one that got away (2x)  
Oh the one that got away  
The one that got away  
Oh the one that got away  
The one that got away  
Oh the one that got away  
Yeah yeah, oh oh oh oh  
Yeah yeah, oh

I'm not a victim of cliches  
I don't believe in soul mates  
Happy endings only one  
Oh and I met you and all that changed  
I had a taste and you're still sitting  
on the tip of my tongue

You were mine

Somewhere in time  
I'll look for you first  
In my next life

There's always one that gets away  
The one that sneaks up on you that slips away  
Slips away  
In a closed off corner of my heart yeah yeah yeah yeah  
I I'll always see your face  
The one that got away (4x)  
Oh the one that got away  
The one that got away  
Oh the one that got away  
The one that got away (2x)  
Yeah yeah, oh oh yeah  
The one that got away
