

Walk Of Shame

Pink

1. One step, two steps
Counting tiles on the floor
Three steps, four steps
Guess this means that I'm a whore
Uh oh, hell no
How long 'till I reach the door
F*ck me, my feet are sore

I'm wearin' last night's dress
And I look like a hot ass mess
Although my hair looks good
'cause I haven't slept yet

R: Make the elevator
Come a little faster
I'm pushin' all the buttons
But nothin's happenin'
Please God don't let anybody see me
Please God I'll do anything you ask of me
I promise no more walks of shame

So walk this way
(We're walking We're walking)
Walk this way
(We're walking We're walking)
2. Last night's bubble gum
No more bubbles no more yum
Where'd I get the wristband
Tell me there's no tramp stamp
One two three shoot
No I know that sh*t ain't cute
Damn the man it sure is fun
To party 'till the sun wakes up

Ok now raise two hands
If you've ever been guilty
And clap clap clap clap It out
If you've walked with me

R: Make the elevator...
So walk this way...
3. I shouldn't have let
Them take my keys, take my keys
They left me here with too much beer
My friends they hung me out to dry
It's not my fault and that's why...
I'm doin' the walk of shame

R: Make the elevator...
So walk this way...
