

# Please Don't Go

Piotr Rubik

The door is still open,  
But you're ready to leave me in the dark,  
Your steps are silent,  
This is the time you're not coming back.

The streets are empty,  
There is no sound, and there is no light,  
The world is covered by your lost for life.

ref.  
Please don't go  
Please don't go  
Don't take it away from me,  
Not everything has been said by now,  
Please don't go  
Please don't go  
You are too weak to be by yourself.

Your room full of roses,  
Over your arms and over your heart,  
My voice is so gentle,  
I cannot bring you back.

You're crying again now,  
The night is too dark,  
And stars are too far,  
If You walk away now,  
There won't be another chance.

ref.  
Please don't go  
Please don't go  
Don't take it away from me,  
Not everything has been said by now,  
Please don't go  
Please don't go  
You are too weak to be by yourself.

If you think,  
You can be somebody better,  
Please believe,  
There is no one waiting there,  
All your faith is a shadow of their weakness,  
All your pain is just another drop in the ocean of despair,  
Not for me.  
So

ref.  
Please don't go  
Please don't go  
Don't take it away from me,  
Not everything has been said by now,  
Please don't go  
don't go.  
Don't take it away,  
You are too weak to be by yourself.
