

# The Bar Is Low

Pissed Jeans

I've been described as good  
Some have even said great  
What have I done  
To deserve such a fate

It just sure seems to be  
Quite an easy bet  
Those we adore just haven't spilled their secrets yet

I never steal  
I never fight  
My anger's locked up tight

You haven't climbed a mountain  
Barely walked up a hill  
But that's good as gold  
Cause you've never killed  
Held down a job  
Even snagged a raise  
Right there you're due for  
Effusive praise

I'm the picture  
Of a noble guy  
Now let me explain why

See I'll tell you so  
Oh I'll tell you so  
The bar is low  
The bar is low

Why I don't know  
I just don't know  
The bar is low  
The bar is low

Never been exposed  
They'll never know  
The bar is low  
The bar is low

Oh I told you so  
Oh I told you so  
The bar is low  
The bar is

Yeah the bar is low  
And it's getting lower  
The speed of evolution  
Is getting slower
