

# Uh Huh Her

PJ Harvey

Re rejection  
Re rejection  
Re rejection

Don't marry, uh, huh, her  
Don't marry, uh, huh, huh, her  
Don't marry, uh, huh, her  
Don't marry, uh, huh, huh, her

The valley is crying  
Don't ask me  
Why it's grieving

Don't marry, uh, huh, her  
Don't marry, uh, huh, huh, her  
Don't marry, uh, huh, her  
Don't marry, uh, huh, huh, her

I fill the sea  
All with my tears  
I drown the fields  
You will remember, remember me

The valley is crying  
The valley is grieving  
He is, he's leaving  
Abandoning me

Don't marry, uh, huh, her  
Don't marry, uh, huh, huh, her  
Don't marry, uh, huh, her  
Don't marry, uh, huh, huh, her

I fill the sea  
All with my tears  
I drown the fields  
You will remember, remember me
