

# Come Undone

Placebo

**Hmi** **A**  
You don't know how you're coming across  
**Hmi**  
You don't know what you're coming across  
**A**  
You don't know who you're coming across  
**G**  
You don't know how you're coming across  
**A**  
So you come undone

**Hmi** **A**  
You don't know how you're coming across  
**Hmi**  
Acting like you don't give a toss  
**A**  
Walking around like you're on some kind of cross  
**G**  
And it's a shame on you, the irony's lost  
**A**  
When you come undone  
**G**  
You come undone  
**A**  
You know, you come undone  
**G**  
You know, you know, you know

**Hmi** **A**  
You don't know how you're coming across  
**Hmi**  
You don't know how you're coming across  
**G**  
And I don't think that you're aware of the cost  
**A**  
So you come undone  
You come  
**G**  
You come undone  
You know, you know, you know
