

Happy You're Gone

Placebo

C
1. Breathe me
F
Everytime you close your eyes
C
Taste me
F
Every time you cry
C **F**
This memory will fade away and die
C
Just for today
Breathe me and say goodbye

C
R: How many times?
Ami
How many times?
G
Now I can't look you in the eye
C
Now I can't look you in the eye
How many times?
Ami
How many times?
G
Now I can't look you in the eye

2. See me
In the eyes of another's child
Turn away
When you see me walkin' by once in a while
This melody will fade away and die
Just for today
Breathe me and say goodbye

R: How many times?...

F **Ami**
*: And I don't even want to try
G **F**
My, my, my, my
Ami
'Cause every word from you is a lie
G
My, my, my, my, my, my

R: How many times?
How many times?
Now I can't look you in the eye
Now I can't look you in the eye
How many times?
How many times?
G **F**
Now I can't look you in the eye
