

Twenty Years

Placebo

Ami

There are twenty years to go

G

and twenty ways to know

Dmi

who will wear

Emi

who will wear the hat

There are twenty years to go

the best of all I hope

enjoy the ride

the medicine show

Ami

And them's the breaks for we

Emi

designer fakes

Dmi

we need to concentrate

Emi

on more than meets the eye

There are the twenty years to go

the faithful and the low

the best of starts

the broken heart, the stone

There are twenty years to go

the punch drunk and the blow

the worst of starts

the mercy part, the phone

And them's the breaks

for we designer fakes

We need to concentrate

on more than meets the eye

Them's the breaks

for we designer fakes

But it is you I take

cause you are the truth not I

There are twenty years to go

a golden age I know

But all will pass

will end too fast, you know

There are twenty years to go

and many friends I hope

Though some may hold the rose

some hold the rope

Ami

And that's the end

and that's the start of it

G

that's the whole
and that's the part of it

Dmi

that's the high
and that's the heart of it

Emi

that's the long
and that's the short of it

That's the best
and that's the test in it
that's the doubt, the doubt
the trust in it
that's the sight
and that's the sound of it
that's the gift

Ami

and that's the trick in it

G

Dmi

You're the truth not I

Emi

Ami

You're the truth not I (4x)
