### Planes Mistaken For Stars

Sentiment lost in translation.  
There's a glitch in transmission.  
But I think it goes.  
I would die or kill anyone for you.  
And if they're there.  
I dare them down to you.  
And if they're there.  
I'll tear them down for you.  
Because I refuse to be without you.  
Or the things you do.  
Because I refuse to bury you
