

All on Me

Planet Funk

Oh man, I'm no man
Hit that wall, got blood on my hands
Don't know who I am
Crush me up like an empty can
Look at you
Look at me
They say anger's energy
But when those chemicals
R-r-r-r-r-r-riiiiise
Oh man, I'm no man
Hit that wall, got blood on my hands
Don't know who I am
Crush me up like an empty can
Look at you
Look at me
They say anger's energy
But when those chemicals
R-r-r-r-r-r-riiiiise
All I'm saying is
It's all of me
All I'm saying is
It's all of me
All I'm saying
All I'm saying
All I'm saying
All I'm saying
All I'm saying
Oh man, I'm no man
Hit that wall, got blood on my hands
Don't know who I am
Crush me up like an empty can
Look at you
Look at me
They say anger's energy
But when those chemicals
R-r-r-r-r-r-riiiiise
All I'm saying is
It's all of me
All I'm saying is
It's all of me
All I'm saying is
It's all of me
All I'm saying is
It's all of me
All I'm saying is
It's all of me
Oh man, I'm no man
Hit that wall, got blood on my hands
Don't know who I am
Crush me up like an empty can
Look at you
Look at me
They say anger's energy
But when those chemicals
R-r-r-r-r-r-riiiiise
All I'm saying is (All I'm saying)
All I'm saying is (All I'm saying)
All I'm saying is

It's all of me
All I'm saying is
It's all of me
All I'm saying is
