Always And Forever

There's nothing better Than living for You Saving my world with You

There's nothing better Than praising Your name And lifting my praise Wanna spend forever Standing in Your presence

And I wanna show You What You mean to me God I give You my whole life And I gotta tell You That I am Yours forever Lord I give You my whole life

Jesus I will live for You In everything I do I'm holding onto You Always! Always and forever.. And when my world is falling down In You I will be found I'm staying in Your arms today Always! Always and forever..

There's nothing better Than living for You Saving my world with You There's nothing better.. And I wanna show You What You mean to me God I give You my whole life And I've gotta tell You I am Yours forever Lord I give You my whole life
