

Great And Mighty

Planetshakers

I stand in this place and lift
Up my eyes to see
The glory of Your face

My God, how wonderful You are
How beautiful Your name
It calms the raging seas

With open arms I run into Your courts
I'll dance before You King of all the earth

You're great, great and mighty
King of glory, God of wonder
You're great, Ancient of Days
Keeper of my heart, lover of my soul

You are great and mighty
You are great and mighty
You are great and mighty
You are great

You are great
You are great
