

I'm Yours

Planetshakers

Oh Lord
When I think of all You've done
My heart sings of Your love
That saved my soul
And made me whole
My life is Yours

Cause You paid the price
I give You my life, I'm Yours

So no matter what the cost
I will go for You
No matter what it takes, I'm Yours
Because You paid the price at Calvary
I give You my whole life, I'm Yours

Oh Lord
My everything to You I lift
My heart and soul I live
For You alone
I'm not my own
My life is Yours

I'm Yours
Jesus I am Yours
