I Surrender

Planetshakers

Waiting my heart open Hands raised to You Longing for Your touch To come make me new

My life I lay down
My heart and my soul
Lord I surrender
I give You my all

Every part of my life Lord Is Yours and Yours alone Every beat of my heart God is Yours

I surrender to You
I surrender to You
I lay my life at your feet
I surrender to You

My life I lay down
My heart and my soul
Lord I surrender
I give You my control

God I give You every part of me
Take my everything it's You that I seek
All I want is to be where You are
I'm Yours
