

Save Australia

Planetshakers

Save our nation Lord
There's nothing we want more
This land of hopes and dreams
Lord bring us to our knees

Hear our cry oh Lord it's time
Heal this land Lord send Your fire

Save Australia
Pour Your Spirit out
On this nation
Send revival to this land

Do it through us
Do it in me

Bless this sun burnt land
With Your mighty hand
Take our hearts and lives
So all may know Your Love

Save our nation
