

## Hell On Earth

## Please the Trees

ave you heard the news  
Hell is here on earth  
Have you heard the news  
Everything you do will come around  
Have you heard the news  
You can buy land on the moon

Have you heard the news  
Children can only teach you  
Have you heard the news  
Nature is god and sky is the church  
Have you heard the news  
No Jesus can save you  
Have you heard the news  
Hell is here on earth

And man is the devil

Devil lives on rock  
Devil lives on rock  
Devil lives on rock.
