

Faithful

Plumb

I get up, I fall down
Sometimes I feel like I am always on the ground
You pick me up and brush me off
And tell me that I'm good enough

You are faithful to me
You are faithful to me
I am not afraid no matter where I go
You will never leave me
In You I am home
Cause you are faithful to me

I feel lost and on my own
Isolation has me thinking I'm the only one
But You show up and hold me close
You tell me I am not alone

I am not alone, I won't be dismayed
You will hold my right hand to help me
I will have no fear
You my God are here
Standing right beside me
