Plumb

You thought you had me all tied up in a little knot
You thought I'd go on living just
like you like you until you asked me nicely to stop
but suprise
I'm free,
I'm free,
I'm Free

to be the girl you tried to steal
You thought I'd freeze outwithered and abandoned
Now you know differently that
I'm gonna live much more than you ever imagined
So suprise
I'm free
I'm free
I'm free

to be the girl you tried to steal
to be the girl you tried to steal from me
It isn't every day
someone sets you free
and gives you walking papers
to be the real thing
I'm free
I'm free
I'm free
to be the girl you tried to steal

I'm free
I'm free, yea
I'm free
to be the girl you tried to steal
to be the girl you tried to steal from me
