Well, everybody's got a story to tell
And everybody's got a wound to be healed
I want to believe there's beauty here
'Cause oh, I get so tired of holding on
I can't let go, I can't move on
I want to believe there's meaning here

How many times have you heard me cry out "God please take this?"
How many times have you given me strength to Just keep breathing?
Oh I need you
God, I need you now

Standing on a road I didn't plan
Wondering how I go to where I am
I'm trying to hear that still small voice
I'm trying to hear above the noise

How many times have you heard me cry out "God please take this?"
How many times have you given me strength to Just keep breathing?
Oh I need you
God, I need you now

Though I walk,
Though I Walk through the shadows
And I, I am so afraid
Please stay, Please stay right beside me
With every single step I take

How many times have you heard me cry out? And how many times have you given me strenth?

How many times have you heard me cry out "God please take this?"
How many times have you given me strength to Just keep breathing?
Oh I need you
God, I need you now.

I need you now
Oh I need you
God, I need you now.
I need you now
I need you now
