Stranded

Plumb

You know it only breaks my heart
To see you standing in the dark alone
Waiting there for me to come back

I'm too afraid to show

If it's coming over you
Like it's coming over me
I'm crashing like a tidal wave
That drags me out to the sea
And i wanna be with you
And you wanna be with me
I'm crashing like a tidal wave

And i don't wanna be
Stranded, stranded, stranded, stranded

I can only take so much
These tears are turning me to rust
I know you're waiting there for me to
Come back

I'm to afraid to show

I miss you, i need you
Without you, i'm stranded
I love you so come back

I'm not afraid to show
