

Nothing in the World

Pnau

Pull my side
Dance it off
We won't leave, don't wanna go home
Summer life
Don't stop
We are never wanna go home

Nothing in the world at all, nothing in the world
Nothing in the world at all, nothing in the world
Nothing in the world at all, [?] right style, right style
[?] time come, time come, time come

Gimme back all the [?] sound
Get me uptown to the escort lounge
We are never wanna go home
Hit me uptown to the [?] sound
Kick me out now wh[?] are [?]
We are never wanna go home

When you come around, we don't stay long
[?]
When you come around, when you come around
All the dance [?]

When you make [?]
When you [?]
We ain't runnin' out, we ain't runnin' out
All our hands are high enough

We are never wanna go home
We are never wanna go home

Nothing in the world at all, nothing in the world
Nothing in the world at all, nothing in the world
Nothing in the world at all, [?] right style, right style
[?] time come, time come, time come

Nothing in the world at all, nothing in the world
Nothing in the world at all, nothing in the world
Nothing in the world at all, [?] right style, right style
[?] time come, time come, time come

We are never wanna go home
We are never wanna go home
