

Who Is This King

Pocket Full Of Rocks

Who is this King, who's Kingdom is forever?
Who is this God, who's greatness knows no end?
He is the King, who says I'll leave you, never?
He is the God, who calls you friend
We rise up and call You beautiful
We lift up our voice Lord to You alone
We rise up and call You beautiful
We lift up our voice Lord to You alone
Who is this King, who's Kingdom is forever?
Who is this God, who's greatness knows no end?
He is the King, who says I'll leave you, never?
He is the God, who calls you friend
We rise up and call You beautiful
We lift up our voice Lord to You alone
We rise up and call You beautiful
