

# What If I Should Say I Love You

Poco

What if I should say I love you  
Would you spend some time?  
I'll tell you what I'm thinking of you  
But if I do, do you have to know why?

When I look at you,  
Are you wondering who  
I am to do  
Such a thing to you.  
I bet you know that you're breaking  
My heart.  
I bet you know, my heart.

What if I should say I love you  
Baby, would you steal away my heart  
And could the moment last for always  
And ever, or should we even start.

When you look at me,  
All the world can see  
I suddenly  
Want your love for me.  
I bet you know that you're breakin'  
My heart.  
I bet you know, my heart.

Maybe someday I would be gone  
Then you'd be alone  
Wondering what's wrong  
How could it begin and then be gone.
