

Dawn

Poets of the Fall

When darkness is no less than everything you've built become undone
There's no fight and no flight, disaster leaves your passion over-
run

It's time to let go, it's time to carry on with the show
don't mourn what is gone, greet the dawn

n' I will be standing by your side
together we'll face the turning tide

Remembrance, can be a sentence, but it comes to you with a second
chance in tow
Don't lose it, don't refuse it, cos you cannot learn a thing you
think you know

A new light is warm, shining down on you after the storm
Don't mourn what is gone, greet the dawn

n' I will be standing by your side
together we'll face the turning tide
