

Pachinko

The Pogues

I'm walkin' down Roppongi
The night is hot and smoggy
I drink a little coffee
A sake and a beer

I run into a ginja man
He speaks but I don't understand
He grins at me and takes my hand
And whispers in my ear

I play Deji Pachi, I play Deji Pachi
I play Deji Pachi in my Pachinko dream
I go Uchi Domi, I go Uchi Domi
I go Uchi Domi in my Pachinko dream

My senses all asunder
I stand and stare in wonder
There's bright light and there's thunder
In Pachinko land

Well versed in the way of Zen
My pockets lined full of yen
I walk the aisle and back again
And sit at Domo's hand

I play Deji Pachi, I play Deji Pachi
I play Deji Pachi in my Pachinko dream
I go Uchi Domi, I go Uchi Domi
I go Uchi Domi in my Pachinko dream

I'm on the lexus fever
My hand tight on the lever
I'm shrieking like a diva
Staring in a trance

Turn the handle to the right
A stream of silver balls in flight
It screams and howls a blaze of light
The earth moves below me
I'm laughin' tears of sheer delight as I go Uchi Domi

I play Deji Pachi, I play Deji Pachi
I play Deji Pachi in my Pachinko dream
I go Uchi Domi, I go Uchi Domi
I go Uchi Domi in my Pachinko dream
