## **Everybody's Trying**

## **Poi Dog Pondering**

I know you're bitter, but why?
Don't you know that two wrongs don't make a right?
It's not that simple
But everybody's trying to figure it out
I feel so detached today, I don't konw
It's not that simple, It's not that simple
It's all that we can do to try and work it on out.
