

## Living With The Dreaming Body

Poi Dog Pondering

Robin's in the metaphysical section  
She's got "Living with the Dreaming Body"  
She's sprawled out along the carpet floor  
She says my work is like eating cold oatmeal  
yesterday's oatmeal, day after day  
She says my work is like eating cold oatmeal  
day after day, and she's right.  
Drunk on margaritas and full of food,  
she says "it's hard to be with one when you're in love with another."  
Drunk on margaritas and full of food,  
she says "it's hard to be with one when you're in love with another."
