

# A Thousand Little Things

Point Of Grace

Here's a thousand little things  
A thousand little things,  
I'm hearing I love you  
In a thousand little things!

The stillness of the morning,  
No one else awake  
Leaves of fire are falling  
Whispering autumn is on the way

Steal some time and say a prayer for  
All that lies in store  
My life is overflowing  
Ever dawn I'm thankful for

A Thousand little things  
A thousand little things  
Moments of your mercy  
That every new day brings.  
Sky goes from black to blue  
And I'm silenced by the view  
I'm hearing I love you,  
I a thousand little things!  
Oh, oh, oh

A dozen purple flowers  
I brought home yesterday  
The music and the laughter of children as they play  
Friends who really love me  
And walk with me through this life  
The one I love says I choose you  
Again to be my wife

A thousand little things  
A thousand little things  
Moments of your mercy  
Every new day brings.  
A quiet porch, a sunset view  
A lazy rainy afternoon  
A day with nothing much to do  
I'm filled with gratitude  
For a thousand little things (a thousand little things)  
A thousand little things  
I'm hearing I love you  
And a thousand little things!  
There's a thousand little things  
There's a thousand little things  
Saying he loves me!
