

## Come To Jesus

Point Of Grace

This is for the weary and the weak  
This is for the desperate and ashamed  
This is for the hopeless hiding in the shadows  
Cupping hands around a flicker of faith  
This is for the ones who don't belong  
This is for the silent castaways  
This is for the sinner peeking through the stained glass  
From a sidewalk in the cold, driving rain

We all fall down  
We all need saving once in a while  
You are not alone  
We all lose faith  
And lean on mercy but through our darkest night  
He said He'd wait for us  
Just come to Jesus

For anyone who's given up on God  
For those who've tripped and fallen out of grace  
For anyone who's looking  
To the bottom of a bottle  
For the strength to make it through another day

He did not come to raise the living  
Or touch the eyes of those who see

It was for the bitter and burned out  
It was for the unforgivable  
It was for the failure standing on the bridge  
Because the guilt's too high a price to pay to live
