For All You've Done

Point Of Grace

Oh cleanser of the mess I've made Upon the hill our places trade Stretched on a cross Your body crushed By human hands You formed from dust

How wonderful Your mercy is How awesome are Your ways I come, I come To worship You For all You've done

Oh cleanser of the mess I've made Your boundless love for me portrayed With patience for my learning curve By holding back what I deserve

How wonderful Your mercy is How awesome are Your ways I come, I come To worship You For all You've done

Oh cleanser of the mess I've made With everything at Your feet laid I watch as all my cares erode And from my soul these words explode

How wonderful Your mercy is How awesome are Your ways I come, I come To worship You For all You've done
