

## How You Live (Turn Up The Music)

Point Of Grace

Wake up to the sunlight with your windows open  
Don't hold in your anger or leave things unspoken  
Wear your red dress  
Use your good dishes  
Make a big mess and make lots of wishes  
Have what you want but want what you have  
HMMMMMM  
And don't spend your life lookin back

Turn up the music  
Turn it up loud  
Take a few chances  
And let it all out  
Cause you won't regret it  
Lookin back from where you have been  
Cause it's not who you knew  
And it's not what you did  
It's how you lived

So go to the ball game  
And go to the ballet  
Go see your folks more than just on the holidays  
Kiss all your children  
Dance with your wife  
Tell your husband you love him every night  
Don't run from the truth cause you can't get away  
Oh No...  
Just face it and you'll be okay

Turn up the music  
Turn it up loud  
Take a few chances  
And let it all out  
Cause you won't regret it  
Lookin back from where you have been  
Cause it's not who you knew  
And it's not what you did  
It's how you lived

Ohhhhhh  
Wherever you are and wherever you been  
Now is the time to begin

To give to the needy  
And pray for the grieving  
Even when you don't think that you can  
Cause all that you do is bound to come back to  
You  
So think of your fellow men  
Make peace with God but make peace with yourself  
Cause in the end there's nobody else

Turn up the music  
Turn it up loud  
Take a few chances  
And let it all out  
Cause you won't regret it

Lookin back from where you have been  
Cause it's not who you knew  
And it's not what you did  
It's how you lived

Cause it's not who you knew and it's not what  
You did  
It's how you lived
