

## The Realist

### Poison the Well

please just this once, do this for me  
ive seen you in clouded visions saying goodbye  
i rememer when we were gonna sit eachother down  
and explaine ourselves  
always busy blame myself  
your color was blue myself is making me feel that way  
i apologize apologize you're old enough to take care of...  
if we cant speak go back to your bed so you'll be here  
when i wake up  
and im worried with no reason why  
harm is an acquaintance and it says its not very fond of you  
just this once "stay" i say  
"ill see you soon" he says  
until you come back i will stay awake  
your color was blue myself is making me feel that way  
i apologize apologize you're old enough to take care of...
