

# Lovesick

Polly Scattergood

Thought I kissed your kiss away  
Thought I loved your love today  
See the things you see my way  
I thought I kissed your kiss away

Thought I kissed your kiss away  
Thought I loved your love today  
See the things you see my way  
I thought I kissed your kiss away

But I can't help about thinking when  
You're away from me...  
That you are my...  
Meant to be or am I

Love sick  
A broken mess  
Love sick  
Love me any less

Love sick  
Kiss my kisses  
Kiss my kisses away...

Thought I kissed your kiss away  
Thought I loved your love today  
Can only wish and hope and pray  
To never kiss your kiss away

Thought I kissed your kiss away  
Thought I loved your love today  
See the things you see my way  
But never kiss my kiss away

But I can't help about thinking when  
You're away from me...  
That you are my...  
Meant to be or am I

Love sick  
A broken mess  
Love sick  
Love me any less

Love sick  
Kiss my kisses  
Kiss my kisses...

Love sick  
A broken mess  
Love sick  
Love me any less

Love sick  
Kiss my kisses  
Kiss my kisses away...

Love sick  
A broken mess  
Love sick  
Love me any less

Love sick  
Kiss my kisses  
Kiss my kisses...  
Away...
